The **Tree Tavern** started as a tavern and restaurant  
on Crosby Place in Paterson, New Jersey.

It was a landmark location in Paterson through the 1950's and 1960's right in the heart of the city. Louis Priore founded the Tree Tavern in 1926. It was named the Tree Tavern because there was a live tree growing in the foyer. Louis's daughter Rose met and married Frank Francia in 1943. Frank joined the business and soon took over the helm of Tree Tavern. They froze the very first Tree Tavern Pizza in 1955 which makes it one of the first frozen pizzas ever sold in a supermarket. The business prospered for many years as both a restaurant and a frozen pizza company. The restaurant was ultimately closed so the Francia's could focus on the retail business.

We acquired Tree Tavern Pizza in 1992.

The current location of The Tree Tavern Wine Bar has a long history of its own. It is located on a site that has been a tavern for many years. The early history is not very clear but it has been a tavern since 1910. We do know that the reason it is located so far off the main road is due to the now removed commuter train station that was just a couple hundred yards away from our location. The Golden Age Club is on the old Midvale Train Station site. People would come home from their commute and walk to our location. When we first took over the property, we found old distillery equipment and a few bottles of moonshine! So we believe it kept running during Prohibition days. The Pallavicini's ran the establishment for many years when it was known simply as Polly's. Andrew Hack bought the business about 40 years ago and ran it as Andrew's Hideaway for 25 years. We purchased the property from Andrew in 2002 to open The Tree Tavern.

### **Laurent-Perrier Rose Champagne NV (Champagne)**

Held in an elegant bottle inspired by King Henri IV, it has been widely acknowledged for its consistent high quality for more than 40 years, and it is the benchmark for rosé champagne around the world. Laurent-Perrier Cuvée Rosé is truly remarkable for its highly expressive bouquet, stemming from very careful preservation of fresh fruit aromas during the wine making. Made with 100% Pinot Noir from 10 different "crus" (or villages), from the North and South areas of the Montagne de Reims, as well as the famous Cote de Bouzy. Grapes from carefully selected plots are meticulously sorted and de-stemmed before going into the vats, and the controlled maceration helps with the color extraction and the development of the full aromatic richness of the Pinot Noir*

### **Cabernet Sauvignon – Silver Oak Alexander Valley 2012 (USA) \$90.00**

*The 2012 Alexander Valley Cabernet Sauvignon is a lively and full-bodied expression of Alexander Valley Cabernet Sauvignon from an exceptional vintage. It has a lovely garnet color and opens with aromas of black currant, orange zest and raspberry. These aromas are framed by nuanced notes of vanilla, marshmallow and cocoa, eliciting an effect reminiscent of chocolate-covered berries. The attack is rich and gives way to a mid-palate with breadth and depth, supported with refreshing acidity and integrated, dusty tannins. This wine has power with an unusual vitality and structural balance. Given proper cellar conditions, this wine will provide drinking pleasure through 2034. S 2*

### **Cabernet - Silver Oak Cabernet Sauvignon 2014 (Napa) 130.00**

*The 2014 vintage was early and exciting. Record breaking dry weather marked the winter months. Warm spring temperatures led to earlier than normal budbreak. Drought conditions were relieved by storms in late February and early March, which coincided perfectly with vines coming out of dormancy.*

*The remainder of the spring and summer were slightly hotter than normal with very few heat spikes and only three days with highs in the triple digits. This set the stage for ideal ripening conditions and wonderful flavor development in the berries. The first of our Napa Valley fruit from our Soda Canyon Ranch vineyard arrived at the winery on August 28. Harvest continued at a moderate pace, and the last grapes were harvested on September 29. While mother nature made her voice heard with the continued drought, the 2014 vintage proved to be otherwise manageable with conditions rife for producing wines of exceptional quality. P 9-10*

### **Appassimento - Dal Forno Romano Valpolicella 2006 (Italy) \$140.00**

*Dal Forno produces some of the most extraordinary Valpolicella Superiores of the Veneto. In fact, they are much like buying an Amarone--at half the price! Dal Forno produces the wine according to the same exacting standards as the Amarone, but the vines are younger (less than ten years of age) and the drying time is shorter (one month for the Valpolicella versus three months for the Amarone). The result is simply spectacular—a full-bodied wine whose ineffable combination of raisiny fruit, streaks of tar and acidity, pine-floor aromatics and pipe tobacco. M2*

*Latour à Pomerol, which draws its name from the tower that adorns this charming château, was acquired by Mme Loubat, who also owned Château Petrus, in 1917. Etablissements Jean-Pierre Moueix has farmed the vineyard since 1962. The vineyard is characterised by the diversity of its soils, which brings complexity and harmony to the wine: gravel and clay for a marvellous parcel next to the church of Pomerol; loam surrounding the château. The vineyard receives the same care applied to all the J.P. Moueix properties: leaf-thinning and green-harvesting to allow for optimal grape maturity followed by a manual harvest. The wine ferments in concrete vats before being aged in oak barrels. Château Latour à Pomerol is known for producing generous, concentrated wines that strike a perfect balance between elegance and power. Pallet*
